

COVID-19 STUDIO SAFETY

For the safety of yourself and others. Please read all rules + take time to explain the changes with your child before their first lesson with us.
We can't wait to see you soon!

Restricted entry to our waiting room

The waiting room is CLOSED to anyone other than the dancer enrolled. (Exceptions made for our pre-schol classes and very special circumstances only). To keep you, our dancers and staff safe we must limit waiting and congregation around the studio. We ask you to please follow social distancing markers set in place.

Sign in for contact tracing

Each student will have their name recorded, any other individual coming into our building or property must be recorded. If you intend to enter the property, we recommend you bring your own pen. We will also have a supply that must be sanitized after use. Dancers MUST sanitize their hands upon entry and exit of our facility. Masks MUST be worn at all times in common areas, but not in the studio rooms when dancing.

Please maintain physical distancing.

When lining up for class: please wait on the allocated markers if necessary (1 person per child only).

In class: children will be expected to stay in their allocated dance space. We have taped the floor to allow for safe physical distancing.

Sorry kids, no hugging of students or teachers is allowed. Students are not allowed to touch each other or teachers. No hugs, high fives, holding hands, or partnering. For now there will be very limited barre work (barres will be sanitized).

Students must be dropped off on time (not early) and collected promptly by one person maximum. The teacher will bring students out to be collected. We need to free up the bathrooms for hand washing, so we ask you to please change your child into dance wear at home or in the car.

Parents: Please limit sending excess gear like school bags that could stay at home or in the car.

If your child is unwell please do not send them along to the lesson.

Books and toys have been removed from the waiting room. Staff will be regularly sanitizing all high touch areas. Elite Dance Corps is a member and supporter of Ontario Dance & Performing Arts Guidelines for COVID-19. We have increased cleaning and sanitizing procedures. Thank you for your co-operation and support, we are looking forward to seeing you soon!
